

2011 HOUSE GUEST PASS

House Guest Passes are intended to accommodate those unit owners who have visitors at their home for an extended period. Keep in mind that without a "House Guest Pass", any individual guest may only visit the Beach Club 8 times per season.

Of the eight visits, no more than four may occur on weekends and/or holidays. The fee for each visit beyond eight per season and/or beyond four per weekend will be \$50, regardless of age or day.

The fee for this pass is \$150 and is non-refundable.

A unit owner may purchase a pass valid for 14 consecutive dates for a specifically named person. The House Guest Pass may not be divided or used for anything other than 1 specifically named person for 14 consecutive days. No exceptions.

The House Guest Pass may be purchased once per season for any guest. The House Guest Pass limits the guest's total visits to 14 for the entire season. That person may not visit the club on a daily guest pass before or after the house guest pass is issued.
