

THE DEFINITION OF A LEASED UNIT

A unit is considered leased if the unit space and/or all the deeded passes with the unit have been transferred to a party other than the deeded owner(s). A unit must be leased for the entire season.

An arrangement involving anything less than the transfer of the use of the unit and ALL deeded passes associated with the unit will be viewed as the "selling of entitled passes". The unit owner who retains a pass has not leased their unit. Conversely, a unit will be considered leased if at least one deeded owner has not activated a pass for the current season.

A Bonnet Shores Beach Club Unit Lease Agreement must be completed by the unit owner and the lessee. The BSBC lease agreement along with the appropriate rental fee will be submitted to the BSBC office. The club records will indicate that the unit has been rented for the season and that the unit owner(s) of that unit will not be coming to the club through that unit.

Lessees must obtain membership passes for all members of their household. A person residing at the same address as the lessee may not visit the club as a guest. Lessees are encouraged to rent a unit that will provide enough entitled passes to accommodate all the family members. If additional passes are required, they will cost the premium price of \$600 regardless of age.

Persons residing at the same address as the unit owner are the only individuals eligible for the discounted rates when additional passes are needed.

Lessees are NOT the unit owner.

Unit owners who have leased their unit may obtain seasonal memberships through another unit but will not receive an ownership (Red) pass.

Unit owners who have leased their unit for the season may not decide to visit the club as guests. A unit owner is not a guest, a unit owner is a unit owner! Unit owners should not rent their unit if they intend to come to the club.

For administrative purposes, a unit will be considered leased if at least one deeded owner has not activated a pass for the current season.

Unit Owners who have leased their unit and all memberships for the season and have not retained a pass for themselves will not be permitted to purchase guest passes for their lessees.

Only Unit Owners with an activated (red) pass will be allowed to purchase guest passes.

Lessees may not purchase guest passes. Lessees may not request work orders of any kind to be done to the Unit.

Lessees must have access to the Unit and must have a key to the Unit at all times while at the Beach Club. Beach Club staff is not allowed to open any unit without seeing an ownership (Red) pass.
